Other

A Fractured Land: Tales of the Northern Realms

> *This is my kingdom! Forged in fire and bathed in human blood. It will be great once more, as it was in ages past. This oath I swear on the sun and the stars.*

- Bran's oath in the ballad, *A Fractured Land: Tales of the Northern Realms*

Bran Tuirseach, renowned as **Bran the Conqueror**, was a Skelligan warlord from Clan Tuirseach before the 13th century.

An ambitious man, he had taken the Isles' crown by force but was killed soon after. Nonetheless, he remained a hero to his clan and skalds preserved his memory in a song.[1] According to it, Bran intended to revive Skellige's glory through daring campaigns.[2]

Trivia

In Middle Welsh, *brân* means "crow".

Within the universe, his name may derive from the Elder Speech word *breinne* which aptly translates to "royal".[1]
